**FUNDING FOR LOS ANGELES HOMELESS SERVICES AUTHORITY WINTER
HOMELESS SHELTER PROGRAM**

On July 16, 2002, the Board instructed the Chief Administrative Office (CAO) to identify \$70,000 to fund case management services provided by the Los Angeles Homeless Services Authority (LAHSA) at its homeless shelters for the 2002-03 winter season (Synopsis #8). The County has provided funding support, along with the City of Los Angeles, for this program for a number years.

This office has identified \$70,000 in the Nondepartmental Special Accounts (NDSA) fund to finance the Winter Shelters program. As part of the budget actions to be presented to the Board in early October 2002, the CAO will recommend that the \$70,000 will be transferred to the Department of Community and Senior Services' budget. Current funding for LAHSA is passed-through Community and Senior Services.
